Being present at more than 2,100 ports, with a worldwide distribution network of almost 200 stock points, Marichem-Marigases is always near. You can rely on them, 24 hours a day, 7 days a week, 365 days a year.

MARICHEM MARIGASES Worldwide Services has been manufacturing and providing quality marine chemicals, coatings, chemical equipment, gases and refrigerants, welding machinery, accessories and equipment, and fire-rescue and safety services to the shipping and other industries for almost half a century.

As a result of the growing demand of compatible alternatives for the establishment Ditco and Marichem-Marigases have become partners in 2010 and a Benelux Sales Dept was formed. Customers in the Benelux now were able to place their enquiries and orders in their own area and language which resulted in a high appreciated expand of turnover.
